	Dapumei Machouhou Intelligent Manufacturing (Bachelor Program in Industrial Technology)			—	—	—					
	Super seniors who take credits no more than 9	--	--	1,092	1,019	1,007					

Note:

1. Transacted according to Tai-Chiao-Chi (IV)-Tzu No. 1140067009 released by ministry of education on June 25th, 2025.
2. Students enrolled in education programs via interviews should pay additional credits fee for the courses in education programs.
3. Students with internship and will practice in institutes outside school will be asked to pay no more than 80% of the tuitions and fees. Other fees will not be asked to pay (such as the fees for computers and network communication and language practices fees, and etc.)
4. Super seniors who take credits no more than 9 , tuition is according to the credits that students take. Super seniors who take credits more than 10 credits will be asked to pay full tuition and incidental fees..
5. Dormitory fees are according to the building that students live in (Air-conditioned Chen Kang fees 6,000 NTDs , air-conditioned ordinary dorms fees 6,655 NTDs and 8,530 NTDs, air-conditioned studio dorms fees 8,755 NTDs). Dorms are required to pay cleaning fees 450 NTDs (The cleaning fees of air-conditioned studio dorms is 225 NTDs). Dorms with air conditioners should pay additional usage fees of 1,300 NTDs.
6. According to the regulations of study art. 29. of Doctoral Program in Industry Management , required and elective courses of this program are opened to other students to study , the charging standard is based on this program's tuition per credit hour.
7. Students who would like to apply for the dorm should notice the deposit(NT\$1,800) will be not returnable if you withdraw, even not moving in, as liquidated damages.
8. Students who receive tuition waivers still need to pay dormitory fees, usage fees for computers and network communication, language learning fees(only for freshmen of 4-year program and students of Department of Applied Foreign Languages), and students insurance fee.

Note:

1. Transacted according to Tai-Chiao-Chi (IV)-Tzu No. 1140067009 released by ministry of education on June 25th, 2025.
 2. Graduates need to pay the fundamental fees of tuitions fees in each semester until graduation. Credits fees should be counted according to the credits taken in each semester.
 3. According to the fee criteria for arts courses in undergraduate provisions, graduates who study in education program need to pay 1,007 NTDs for each credit.
 4. Graduates who obtain admission with equal academic attainments may need to compensate for certain courses for undergraduates. The credits fees could be paid according to the categories that courses belong to.
 5. Students with internship and will practice in institutes outside school will be asked to pay no more than 80% of the tuitions and fees. Other fees will not be asked to pay (such as the fees for computers and network communication and language practices fees, and etc.)
 6. Dormitory D2 is for graduates in our university (11,188 NTDs per semester, including Accommodation fees 9,438 NTDs , Air conditioning fees 1,300 NTDs and cleaning fees 450 NTDs) and Dormitory G (11,280 NTDs per semester, including Accommodation fees 9,680 NTDs , Air conditioning fees 1,300 NTDs and cleaning fees 300 NTDs).
 7. According to the regulations of studay art. 29. of Doctoral Program in Industry Management , required and elective courses of this program are opened to other students to study , the charging standard is based on this program's tuition per credit hour.
 8. Students who would like to apply for the dorm should notice the deposit(NT\$1,800) will be not returnable if you withdraw, even not moving in, as liquidated damages.
 9. Students who receive tuition waivers still need to pay dormitory fees, usage fees for computers and network communication, language learning fees(only for freshmen of 4-year program and students of Department of Applied Foreign Languages), and students insurance fee.
- ★ Tuition per credit hour of Department of Business Administration in-service master program is going up to 6,000. (apply to the students who enrolled after the 2017 (included) academic year.)

Note:

1. Transacted according to Tai-Chiao-Chi (IV)-Tzu No. 1140067009 released by ministry of education on June 25th, 2025.
2. Adopt fee criteria as engineering department:
 - (1) All departments of Engineering college.
 - (2) College of Management: International Graduate Institute of Artificial Intelligence, Department of Industrial Engineering and Management and Department of Information Management.
 - (3) All departments of Design college.
 - (4) College of Humanities and Applied Sciences: Cultural Heritage Conservation and Institute of Materials.
 - (5) College of Artificial Intelligence Technology: Graduate School of Intelligent Data Science.
3. Adopt fee criteria as business department—other departments except fees in engineering.
4. According to the regulations of study art. 29. of Doctoral Program in Industry Management , required and elective courses of this program are opened to other students to study , the charging standard is based on this program's tuition per credit hour.
5. Dormitory D2 is for graduates in our university (11,188 NTDs per semester, including Accommodation fees 9,438 NTDs , Air conditioning fees 1,300 NTDs and cleaning fees 450 NTDs) and Dormitory G (11,280 NTDs per semester, including Accommodation fees 9,680 NTDs , Air conditioning fees 1,300 NTDs and cleaning fees 300 NTDs).
6. Dormitory fees are according to the building that students live in (Air-conditioned Chen Kang fees 6,000 NTDs , air-conditioned ordinary dorms fees 6,655 NTDs and 8,530 NTDs, air-conditioned studio dorms fees 8,755 NTDs). Dorms are required to pay cleaning fees 450 NTDs (The cleaning fees of air-conditioned studio dorms is 225 NTDs). Dorms with air conditioners should pay additional usage fees of 1,300 NTDs.
7. According to the Tai-Wen(II)-Tzu No. 1000108296 on June 29, 2011, honorees from diplomatic ties of Taiwan that are recommended by overseas missions to study in Taiwan adopt the same fee criteria of domestic students.
8. Students with internship and will practice in institutes outside school will be asked to pay no more than 80% of the tuitions and fees. Other fees will not be asked to pay (such as the fees for computers and network communication and language practices fees, and etc.) (The percentages of tuition and incidental fees for students of College of Engineering and College of Management are listed below:
College of Engineering: 61% for tuition and 39% for incidental fees.
College of Management: 70% for tuition and 30% for incidental fees.)
9. Students who would like to apply for the dorm should notice the deposit(NT\$1,800) will be not returnable if you withdraw, even not moving in, as liquidated damages. (Except students who are doing exchange programs, internships or who are already qualified for graduating).
10. Students who receive tuition waivers still need to pay dormitory fees, usage fees for computers and network communication, language learning fees(only for freshmen of 4-year program and students of Department of Applied Foreign Languages), and students insurance fee.
